PROJECT

of Resource Center to support the integrated training and education of children and pupils with special educational needs - Veliko Tarnovo

This project has been funded with support from the European Commission and Lifelong Learning Programme

Sectoral program "Comenius",
Multilateral school partnerships

Contract № LLP-2010-COM-MP-023

2010 - 2012 „Art and Craft as a Link
between Education and working Life”
„Изкуство и занаяти като връзка между
образованието и професионалния живот”

THE OBJECTIVES

Building and strengthening the special education's pupils specific skills in the art and craft works by developing children's creativity. Using arts and crafts to engage pupils in expressing concepts, thoughts and feelings. Exchange techniques, means and ideas between pupils and teachers of partner countries. Improving language and social skills and teaching how to work in team. Developing professional preparation.

PARTICIPANTS IN THE PROJECT

Students

- of primary and secondary level, trained in the public schools of the region and included in groups of resource support to Resource center of Veliko Tarnovo;
- student-consultants from the respective schools.

Teachers

- resource teachers and other professionals from Resource center of Veliko Tarnovo;
- teacher-consultants from the public schools in the region.

PROJECT ACTIVITIES

- pupils with special educational needs make art and craft works of different materials in art class, design and technology class and others.;
- teachers publish photos and description of the made works in project blog:
<http://artcraftcomenius.blogspot.com/>
- teachers and pupils with special educational needs of partner countries participate in international - meetings and pupil exchange.

RESULTS AND OUTCOMES

- loosening the routine by applying new methods and techniques on the craft and art lessons;
- increasing pupils' "social skills";
- improving the special needs education's pupils "self-esteem";
- activating Prior Knowledge (visual, aural and tactile perception) of pupils;
- vocational training of the special education's pupils;
- improvement of language skills;
- learning more about culture and economy in other countries.
